

Corey Perlman - Speaker Introduction

Corey Perlman is a speaker, consultant, and nationally-recognized social media expert. He recently launched his 3rd book, *Authentically Social! Which immediately became a 2024 amazon.com bestseller.*

When not on the road, Corey runs and operates a marketing agency with his wife, Jessica, and an amazing team of highly skilled digital marketing experts. They've been in business for over a decade and work with industries such as real estate, dental and travel.

When not working, Corey can be found strumming Jimmy Buffett songs by the lake or trying to convince his teenage daughter that he actually gets paid to talk about social media.

Please welcome our speaker, Corey Perlman!
